

The Organization

The Maasai Mara Wildlife Conservancies Association (MMWCA) <http://www.maraconservancies.org/> is a membership organization of all the Mara conservancies, open to any existing or upcoming wildlife conservancy whose land is part of or integral to the greater Maasai Mara ecosystem.

MMWCA is a Regional Association of the Kenya Wildlife Conservancies Association (KWCA) <http://kwcakenya.com/> : one of 12 regional associations across Kenya that collectively play a key role in the growth and development of conservancies nationally. MMWCA has three primary objectives: -

1. To provide a convening space for open discussions; a hub for knowledge sharing and coordination across conservancies; a voice for advocacy; and driving policy in the interest of conservancies and conservation-related issues across the Mara.
2. Support the creation and development of conservancies and their neighbouring areas across the greater Mara ecosystem, as a sustainable form of land-use and to provide mechanisms for equitable and value-based benefit sharing to sustain land under conservation.
3. Lead and/or implement development and conservation programmes across member conservancies to facilitate coordination, collaboration and synergetic action.
